It is the official policy of the Alabama Department of Postsecondary Education, including all postsecondary institutions under the control of the Alabama State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment.

Shelton State Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the Associate in Arts, Associate in Science, and the Associate in Applied Science degrees. ADMISSION REQUIREMENTS

Shelton State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission to courses creditable toward an associate degree. Non high school graduates may qualify for admission to courses not creditable toward an associate degree by demonstrating an Ability-to-Benefit prior to enrollment. For more information on Ability-to-Benefit, call 205.391.2662. All applicants are required to submit an application for admission which includes the student's signature and in-person presentation of a valid photo identification (I.D.). In addition to an application for admission, students are required to supply the College with official transcripts. Required documents are based on the student's admission status.

- **First-Time Freshmen** - The student must submit either an official transcript from the high school that must include the graduation date, official signature, and diploma type OR official GED scores mailed from the testing institution.
First-time Freshmen Application Deadline - Refer to the published academic calendar for the application deadline for first-time freshmen.
- **Transient** - The student must submit a transient letter from the home institution stating the courses that the student will be allowed to take. Transient letters must be submitted prior to registering for classes for each semester the student attends Shelton State. Transient students must provide documentation of satisfying pre-requisites prior to registration. Transient students are not eligible to receive financial aid.
- **Transfer** - The student must have official transcripts mailed from each institution previously attended. No faxed copies will be accepted. Transfer students must provide official documentation of satisfying pre-requisites prior to registration. All official transcripts must be on file before a student can receive financial aid funds.
- **College Graduate** - The student must submit an official transcript from the institution from which the degree was awarded.

First-time freshmen and transfer students may be conditionally admitted for one semester without the appropriate transcripts. However, students will not be allowed to register for courses without documentation of having met prerequisites or the appropriate COMPASS® score. Students must be prepared to provide documentation at the time of registration. Also, students who receive federal financial aid must have a complete admissions file. Alabama Occupational Diploma students, accelerated high school students, dually enrolled students, Ability-to-Benefit students, and non-accredited high school students may not be conditionally admitted and must register in the Office of Admissions & Records. Contact the Office of Admissions & Records (205.391.2214) for more information.

ATTENTION

- All new applicants must present a valid form of identification prior to acceptance for admission. Acceptable forms of I.D. are listed on the college Web site, www.sheltonstate.edu.
- All transient students must submit a transient letter prior to registering for classes. Transient students are not eligible to receive financial aid.

If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year institution in Alabama. Refer to the STARS web site for more information.

ADMISSION OF INTERNATIONAL STUDENTS

International students should contact Erica Walker in the Student Organizations Center on the Martin Campus, 205.391.2342, or erwalker@sheltonstate.edu.

OTHER IMPORTANT INFORMATION • MARTIN AND C.A. FREDD CAMPUSES

Shelton State Community College offers classes on two campuses: the Martin Campus and the C.A. Fredd Campus. These campuses are approximately seven miles apart. The campus location where the class meets is noted on the schedule as "Martin," "Mart," "C.A. Fredd," or "Fredd." Students should schedule classes to allow plenty of time to drive, park, and arrive on time. Students should not register for a class that meets immediately after a class on the other campus. For example, if the student's first class meets from 8:00 until 10:00 a.m. on the Fredd Campus, the student should not register for a class that begins at 10:15 a.m. on the Martin Campus. For directions to the campuses, see the web site or the back cover of the printed schedule.

GRADES

To obtain grades, visit www.sheltonstate.edu and select the Access Student Online Account link. Students must enter the Student I.D. number and the password for access. Students who forget the password may use the Forgot Password option. Otherwise, students must present a picture I.D. in the Office of Admissions & Records to obtain or change passwords. Passwords will not be released over the telephone or sent by email. Grades are not mailed. It is the student's responsibility to check grades at the end of each semester.

STANDARD COLLEGE POLICIES

The Standard College Policies apply to all classes at Shelton State Community College. These Policies have been summarized from the catalog and provide the student with general information that will assist in understanding the expectations regarding enrollment, grading, attendance, and student conduct. A copy of the Standard College Policies will be emailed to each student using the Bucs Mail email address. Upon receipt of the Policies, students are expected to abide by these Policies for every class in which they are enrolled at the College. The Standard College Policies are also available on the College web site, www.sheltonstate.edu.

TRANSFER OF COURSES

College advisors are available to help students complete class schedules. However, it is the responsibility of the student to satisfy all course prerequisites and to determine whether a course will be accepted at another institution. Students who plan to transfer to a public four-year institution in the state of Alabama should visit www.sheltonstate.edu and select the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system that provides guidance and direction for prospective students who transfer to public institutions within the State of Alabama. The STARS System allows students in Alabama to obtain a Transfer Guide/Agreement for the major at the selected public four-year institution. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year institution in Alabama.

PREREQUISITES

Before a student enrolls in a class, all prerequisites must be satisfied. If a student enrolls in a class for which the prerequisites are not fulfilled, the student may not receive credit for that class and may be administratively withdrawn.

CLASS CANCELLATIONS/ROOM CHANGES

Occasionally it is necessary that the College cancel a class or change a room. Students are required to verify class schedules with room numbers within the online student account. Notifications of class cancellations will be emailed to each student at the e-mail address assigned to the student by the College. Students affected by class cancellations should immediately register for other classes or come to the Martin or C.A. Fredd Campus for assistance.

WITHDRAWAL POLICY

Once classes begin for the respective term, students who wish to withdraw from a class or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw from any class is the last day of classes for the term as defined by the College's Academic Calendar. There will be NO withdrawals after this date. The student will receive a grade of "W" regardless of the student's average at the time of the withdrawal if the class does not qualify for a full refund when dropped; the grade of "W" will be recorded on the student's permanent record. Students who remain in the class after the last day to withdraw will receive the grade earned for the class. Withdrawal through the online student portal is available until midnight of the designated last day for withdrawals, and withdrawal in person is available in the Office of Admissions & Records until the close of business of the designated last day for withdrawals. No withdrawals will be taken over the telephone or by email. An instructor's signature is not required. Failure to attend class does not constitute official withdrawal. If you are a financial aid student, it is important to speak with the financial aid office before you withdraw from classes. Your grant award can be reduced or cancelled if you do not complete your classes successfully.

STEPS TO DROP A CLASS OR WITHDRAW FROM ALL CLASSES

Late Registration Fee.....\$25.00

Some programs and/or classes require additional fees.

Tuition and fees are subject to change. ALL STUDENTS ARE REQUIRED TO PAY TUITION AND FEES ON OR PRIOR TO THE PAYMENT DUE DATES LISTED IN THE SCHEDULE. Sponsored students are an exception to this policy. Sponsored students include those students whose expenses are paid by agencies such as Vocational Rehabilitation

Services, Alabama G.I. and Dependents Educational Benefits Act (excluding veterans who receive benefits only from Federal Veterans Administration), and eligible Pell Grant recipients. These students must have written authorization from the sponsoring agency on file in the Office of Business Services prior to registration in order to register without paying. FEES MUST BE PAID IN FULL BEFORE REGISTRATION IS CONSIDERED COMPLETE. Students who pay tuition using Prepaid Affordable College Tuition Program (PACT), Vocational Rehabilitation Services, VISA, MasterCard, Discover, or American Express or any third party entity are responsible for verification that payment has been received by the Cashier's Office. SHELTON STATE DOES NOT GIVE CASH REFUNDS. Refund checks are mailed from the Office of Business Services. Students who request refunds for complete withdrawals on or after the first scheduled day listed on the college calendar for that term will be charged a 5% administrative fee. No cash refunds will be given; cash payments will be refunded by a check from the college mailed to the address on the student's account. All credit or debit card payments will be refunded to the original card that was charged. Please call the Cashier's Office, 205.391.2335 or 205.391.2315, to process your credit or debit card refund. All check payments will be refunded by a check from the college mailed to the address on the student's account. Students may call or come to the Cashier's Office to request refunds.

Students will receive a 100% refund for classes dropped during any Drop/Add period if a class or classes remain for the same term. After the respective Drop/Add period, no refund will be given except for total withdrawal. A student who officially withdraws from any or all classes before the official first day of class for the respective term will be refunded the total tuition and other institutional charges.

DROPPING CLASSES

Students will receive a 100% refund for classes dropped during the drop/add period if they still have a class or classes remaining for the same term. After the drop/add period no refund will be given except for total withdrawal.

OBLIGATION TO REPAY TITLE IV FINANCIAL ASSISTANCE

Failure to attend class will result in a reduction or repayment of financial aid.

DEFINITIONS

FEDERAL GRANT RECIPIENT - A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Program (ASAP and ASAP Knight), is defined as a Federal Grant Recipient.

COMPLETE WITHDRAWAL - The Return of Title IV funds will be calculated based on an applicant's failure to complete at least 60 percent of the term. The calculation will be based on the last official or unofficial date of withdrawal from all classes.

SIXTY PERCENT (60%) OF ENROLLMENT PERIOD - Students who withdraw from school on or before these dates will owe a repayment. Students who withdraw after these dates may not owe a repayment.

REPAYMENT - The amount of repayment will be based upon a formula prescribed by law that considers the date of withdrawal and the amount of federal aid (excluding work study) received. Students who fail to repay the U.S. Department of Education will not be eligible to receive Federal Aid at Shelton State Community College or any other institution.

FINANCIAL AID CREDIT HOURS - All technical courses not associated with a degree plan (the program does not offer a degree) are subject to a clock hour conversion. This means that the credit hours may not be counted fully for financial aid purposes only. All information regarding a student's federal financial aid award (i.e., adjustments, courses in program, attendance, and disbursement dates of refunds) will be communicated to the student via email. MODES OF INSTRUCTION

To better meet the needs of our growing and diverse student population, Shelton State Community College has expanded our class offerings to incorporate different modes of instruction. By selecting classes based on the mode of instruction, students can choose a learning environment that will best meet their needs. Modes are located to the left of the course description in the schedule. The key below explains each mode of instruction.

CBI - Computer Based Instruction This is a class with an instructor scheduled at a specific time in a computer classroom on campus. Instruction and assessment are delivered using a computer. Students are required to attend class on campus.

CAI - Computer Assisted Instruction This is a class with an instructor scheduled at a specific time and location in a computer classroom on campus. Instruction and assessment are delivered with a combination of instructor lectures and computerized assessments. Students are required to attend class on campus.

B - Blended This is a class with an instructor requiring students to attend a designated number of classes on campus and to complete activities and coursework online. Access to a computer with high speed internet capabilities is required.

O - Online This class meets entirely online. Students are not required to come to campus. Students are required to take exams on campus or in an approved proctored environment. Access to a computer with high speed internet capabilities is required.

Where a mode of instruction is not listed, the class is a traditional face-to-face class with an instructor scheduled at a specific time and location. Students are required to attend class on campus or at a specified location. The instructor may utilize online tools to enhance the teaching and learning process.
